WORK EXPERIENCE

Illinois Institute Of Technology **Sep 2025 - Present**
SSB – Student Assistant Marketing & Engagement *Chicago, IL*

- Serve as an officer for the Stuart School of Business on the Campus Groups platform, publishing official Stuart events and coordinating engagement communications using targeted email newsletters and Google Workspace tools, enhancing student awareness through stakeholder engagement.
- Create marketing content and promotional campaigns for Stuart events and student engagement initiatives using Canva, Photoshop, and InDesign, supporting brand visibility across campus and delivering business development presentations to recruit participants.
- Manage Stuart Professional and student activity pages, coordinating announcements and increasing student participation through data analysis and strategic posting.
- Support graduate pre-term and orientation processes by coordinating student onboarding communications in Google Slides, aligning resources, and handling event logistics, resulting in smoother onboarding and higher attendance at orientation events.

PROJECT EXPERIENCE

Financial Statement Analysis & Forcasting **Mar 2026**
Illinois Institute Of Technology *Chicago, IL*

- Conducted in-depth financial analysis of Kimberly-Clark using GAAP statements, evaluating profitability (net margin ~9.6%), liquidityratios, and DuPont ROE (~269%) to acess overall performance.
- Built 3-year financial forecasts (income statement & free cash flow) in Excel and presented insights with custom Google Slides deck, enhancing clarity and stakeholder engagement

Strategic Management Simulation **Mar 2025**
Illinois Institute Of Technology *Chicago, IL*

- Collaborated with a 4-person team on strategic decisions in product development, pricing, and operations, applying financial analysis to achieve an 18% ROI and 12% increase in shareholder value.
- Built advanced Excel forecasting models and Power BI dashboards, then designed accompanying visuals in Canva to highlight market share trends and scenario planning outcomes

HONORS AND ACHIEVEMENTS

- **Vice President of Public Relations - Stuart Professional Toastmasters | Member, Toastmasters International:**Led campus-wide communications and engagement initiatives, increasing meeting participation and strengthening club brand presence while actively participating as a certified member of Toastmasters International. Active member of Toastmasters International, developing advanced public speaking, leadership, and professional communication skills through structured speeches, evaluations, and club collaboration.

EXTRACURRICULAR

Project Management Excellence Club **Mar 2026 - Present**
President

- Lead the PME, overseeing strategy, budgeting and execution of 10+ initiatives in collaboration with PMI Chicagoland and campus partners.
- Direct club operations and financial planning, managing budgets and improving reporting efficiency through structural Excel-based tracking systems.
